## SIDNEY TRADE BOARD MEETING

(Continued from Page One)  
originally planned and put into effect, governing the Herring Industry of Vancouver Island, eliminated entirely Oriental labor from the industry during the season of 1926-27; and

"Whereas new Canadian Government regulations have been issued permitting the Herring Industry of the East Coast of Vancouver Island to use fifty percent Orientals in their operations during the season of 1926-27; and

"Whereas the Herring Industry of the West Coast of Vancouver Island are compelled to conform to the original regulations and totally eliminate Oriental labor from the Herring Industry during the season of 1926-27;

"We therefore strongly protest against deviating in any way from the original regulations, as the new regulations would discriminate in favor of one section of the industry as compared with another, and such regulations cannot be justified, in equity or based on sound business principles.

"We strongly recommend the Canadian Department of Fisheries to stand absolutely 'pat' on the original regulations controlling the Herring Industry entirely to White Labor."

Personal Property Tax  
(4) "Whereas the Personal Property Tax, under the Provincial Government Taxation Laws, is unequal and unfair in its operations, this Board goes on record as favoring its abolition and the substitution thereof of the percentage tax based on turnover."

(Sidney Board) — Utilities Commission—

(5) "Whereas in view of the Industrial Development of British Columbia, be it resolved that this convention of the Associated Boards of Trade of Vancouver Island, strongly urge upon the Provincial Government to again appoint an Utilities Commission, and that copies of this resolution be forwarded to the Honorable Premier and Honorable Members of the Executive Council."

The Board decided to oppose the application to lease land in the North Saanich district on the Saanich Inlet, adjoining Section 16, Range 11 West.

President J. E. McNeil occupied the chair and the meeting adjourned at 10.30 p.m.

## TIT - BITS from the NORTH SAANICH SOCIAL CLUB

The monthly social evening held on Saturday last was, as usual, very well attended, there being 15 tables of 500 in play and two of checkers, the successful prize-winners being Miss Sissford and Mr. L. Ricketts. After supper the club's orchestra, augmented to five pieces, furnished the music for dancing.

The young folks of the club have undertaken to take complete charge of the banana roast campfire supper to be held at Patricia Bay, adjacent to the club's refreshment booth, on Saturday week, the 17th inst. A very novel, interesting entertainment is promised.

## SIDNEY PLAYED GULF HOSPITAL AT TACOMA, 5TH JUNE REPORT

TACOMA, Wash., July 8. — Over 56,000 Tacomans and visitors to the Independence Day celebrations had their first glimpse of lacrosse here Monday night, when the Sons of Canada defeated Sidney, eight to four, in a senior league exhibition fixture played at the stadium in connection with the monster program of sports arranged by the American Legion. Judging from the tremendous applause which greeted the teams, the game was well received, and should find a place in America's sports.

Many prominent officials attended the exhibition, including state Governor Roland Hartley, Mayor M. G. Tennant of Tacoma and high military and naval officials.

When the teams took the field they were given a great ovation. It is reported the largest crowd that has ever witnessed a lacrosse match in the world was present.

Both teams were going fine and the snappy fielding and quick passing made a profound impression on the crowd and cheers greeted each team's score.

The score was fairly even until near the end, standing at 4-4, when one of Sidney's best players received a nasty crack on the head which necessitated his retirement from further play. Sons then ran in four goals in short order.

Sons of Canada will come to Sidney tonight to meet the local players in the fifth scheduled game. The Sons, by virtue of their win in Tacoma on Monday, have a two-game lead over Sidney. The game will be called at 6.30 o'clock.

GANGES, July 8. — Following is the report for the month of June of the Lady Minto Gulf Island Hospital: Patients carried over from last month, 6; admitted during June, 16; total, 22.
